

SISTERS IN SYNERGY MARCH

“Women’s Call to Action...All
Roads Lead to Selma!”

In partnership with Salute Selma, please join **Sisters in Synergy** for the **Historic Reenactment March across Edmund Pettus Bridge!**

We are asking our allies to stand WITH us or stand BEHIND us. We are calling women of all races, ages, backgrounds, and interests to join our fight against tyranny and oppression!

Join **thousands of influential women** in the fields of politics, entertainment, education and entrepreneurship as we discuss **a national action plan**. After all, we want to hold the Republicans accountable, while putting the Democrats on notice.

Once again, SELMA will serve as a national backdrop for women rights and human rights! From **Anchorage** to **Rhode Island** and **Chicago** to **Texas**, we will stand in solidarity!
